# MERRY CHRISTMAS TO YOU

BE SAFE, HAVE A GOOD TIME AND SMILE

■ HUA HIN, THAILAND

The last AWOL before Christmas, and the penultimate one of 2012, leaves us with only one thing to do, which is to wish all of our readers and advertisers the very best festive season in our sunny paradise. Our 'gift' to you is a reworking of a classic Christmas song to fit these climes, and maybe some of you will attempt it at the karaoke?

**The (Hua Hin) Christmas Song**

*with apologies to Mel Tormé and Bob Wells (the original writers) and Nat 'King' Cole who recorded the most famous version (subtitled 'Chestnuts Roasting On An Open Fire')*

Hot sweat dripping from your sunburnt face,
Ice cold water on your tongue,
Music pounding out of every place,
Old men dressed like they are young.
Everybody's sung
'Hotel California' and 'My Way',
The karaokes are now so quiet,
Time to go home, careful on the way,,
'Sawasdee' and thats it for the night

Tomorrow's another sunny day,
But it's not like Christmas at home is what they say,
No ice, no snow, no rain and long dark nights,
And will Santa get a visa for his flight?

And so we're offering this simple phrase,
To kids from one to ninety-two,
Although it's been said ,
Many times, many ways,
Merry Christmas to you.

■ SURREY, ENGLAND Surrey Police to send Xmas cards to repeat offenders

Serial burglars who do more taking than giving over the festive period will receive an unwelcome Christmas card over the coming weeks– from the police. Repeat offenders will be sent tidings of goodwill by Surrey Police in the run-up to Xmas reminding them of the consequences if they re-offend.

'Remember we know who you are and where you live,' warns a message in the card. 'If you persist in criminal activity we will hunt you down and we will lock you up.'

It's part of an anti- burglary campaign, dubbed Operation Candlelight, aimed at reducing the traditional rise in break-in offences over the autumn and winter months.

Detective Superintendent Ray Blythe urged members of the public to be vigilant over the Christmas period to ensure they are not on are not on a burglar's to-do list.

'With all the excitement of the Christmas period, people can be a bit lax with their home security – at the very time when they need to be the most careful,' he said.

'Police forces nationally tend to see an increase in burglary offences over the festive period with the long dark nights and people buying expensive gifts to give to their loved ones. I would urge members of the public as they open the window of their advent calendar tomorrow morning to consider how easy it would be for a burglar to open a window or door to their house. This is not about scaring people but the last thing anyone wants is to wake up on Christmas morning without any presents.'

■ SANTA

Does Santa really live in the North Pole?
Lets look at the evidence.
1. Wears red and white
2. Good at breaking into houses
3. Has loads of electrical goods that nobody can trace
4. Drives an unlicensed vehicle
5. Only does one days work a year

Lapland/ You've got to be kidding! It's as clear as day he's a scouser!

■ CHRISTMAS PRESENTS

I bought my daughter an iPAD. I bought my son an iPOD. I bought myself an iPHONE. And I bought my wife an iRON. She wasn't impressed with the iRON - even after I explained that it can be integrated with the iWASH, iCOOK, and iCLEAN network. This triggered the iNAG service which I couldn't turn off and I later found out that it completely wiped out the iSHAG function.

■ MEXICAN CHRISTMAS

It's a romantic full moon, when Pedro said, "Hey, mamacita, let's do Weeweechu."
Oh no, not now, let's look at the moon!" said Rosita.
Oh, come on baby, let's you and I do Weeweechu. I love you and it's the perfect time," Pedro begged.
"But I wanna just hold your hand and watch the moon." replied Rosita.
Please, corazoncito, just once, do Weeweechu with me."
Rosita looked at Pedro and said, "OK, one time, we'll do Weeweechu."
Pedro grabbed his guitar and they both sang.....
"Weeweechu a Merry Christmas, Weeweechu a Merry Christmas, Weeweechu a Merry Christmas, and a Happy New Year."

## CHAAM NEWS

Thousands are expected to flock to Cha Am for the "Cha Am Countdown 2013" at the Cha Am Beach lookout, which will be running from Friday 28th December to Thursday 3rd January with food sellers, craft stalls, carnival activities and market stalls. The countdown will finish with a promised eruption of fireworks and entertainment at midnight on New Years Eve and continue nightly until the 3rd January.

Wishing everyone a Very Merry Christmas and please be careful on the roads at this time of the year; in particular please dont drink and drive as the police will be out in force.

## CHAAM GOSSIP

"Someone" was spotted delivering a mysterious package to the Silver Bar in the early hours this week, which seemed to suggest a change in "Ron's" affiliation to his beloved Manchester City football team. I can reassure everyone that this is just a malicious rumour, but did bring riotous laughter from those in attendance.

## BALLOON CHASERS

Cha am Rentals has been for many years the premier Small Bike rental business in Chaam and has now opened a new shop and restaurant in Hua Hin. Offering quality, well maintained bikes. Alan and Noi will be happy to discuss your requirements short or long term. (See ad back page main AWOL )

THE 1%ERS - PART 2

As I said, most clubs are not outlaw clubs and don't wear a top and bottom rocker. They may have a top rocker but if they have a bottom patch it will not have State, City or County wording on it, many times it will be the member's road name. For example any club in Texas (unless it's grandfathered by the Bandido's) that's not affiliated with Bandidos, (and other than a police club) are not allowed to fly the "Texas" patch ("Bar" or "Rocker") on the back. They have even forced some police clubs to remove the Texas rocker. Also, 99% of Bandido support clubs cannot wear Texas on the back. The Bandidos claim that right as an MC (Motorcycle Club) and will aggressively approach you if you are seen wearing it on the back of your colours. Most states have its dominant 1% club where the same rule applies. The Bandidos are the dominant club in Texas as well as several other states.

A 1%er overall is also referred to as a "1%er". Outlaws Bikers (not to be confused with the 1% "OUTLAWS" Motorcycle Club) are also hard-core clubs NOT wearing a 1% patch but have very close ties with 1%er's. That would also include any 1% support clubs. Appearance is important, it would be chaos if everyone wore "Police" uniforms; identification of who you are is imperative. You would surely be put in jail if you were not a police officer but were wearing the uniform and acting like a cop. So, on the other end of the spectrum, you don't want to be mistaken for something you're not for safety sake in all walks of life. Wearing an AMA patch on the front of your colours/vest will identify you (to outlaws) as a family club member and are of no threat to them. 1%er's push the AMA patch to all clubs because 1%er's and other outlaws clubs don't wear one. Some clubs wear the AMA patch upside down in protest of being forced by 1%er's to wear it.

1%er's and outlaws will have nothing to do with the AMA (American Motorcyclist Association) and vice versa, and will NEVER wear an AMA patch. The term 1% comes from the AMA. In the 60's, the AMA labeled the "Hells Angels" and the likes, as making up only 1% of all motorcyclists as being "The Bad Boys". The Angels adapted that and became an exclusive 1% club. And ANY club that tried to wear that 1% diamond had better be able to back it up or rival 1% clubs disbanded them. More often than not they were disbanded, in many cases by death. The term "The Big Four" is the four largest 1% clubs and the most dangerous clubs in the world. 1."Bandidos", established 1966 2. "Hells Angels", established 1948 3."Outlaws", established 1935 4."Pagans" established 1959. The Bandidos , are the fastest growing outlaw motorcycle club in the U.S.

There are hundreds of smaller 1% clubs that can be just as dangerous as the big ones on a smaller level. Just a note. If you are ever around outlaw clubs when they greet each other, you may see some of them kiss each other on the lips. This started back in the 60's when 1%er's used it to shock people when they were around them. It has since evolved into a ritual that is proof of a very tight brotherhood.

To become a 1%er or an outlaw is not an easy task. Not many will ever wear the 1% diamond, and only men can join an outlaw or a 1% club. The prospecting process is more than most men can take or will take. Thus eliminating the possible club invasion of undercover or "Feds" as best they can. It is not generally easy to prospect for any M/C club, especially outlaw clubs. The comment was made about numbers, that the citizen riders out number them 50 to 1. That is true, but, think what you will, five average guys are sometimes no problem for one hardcore 1%er. If you take on one, you take them all on. For the most part, nowadays, outlaws will try to stress their position very clearly before resorting to violence.

Rival clubs have killed each for years over things like territory and simple arguments over what seems to be nothing to the average citizen. Outlaw/1%er clubs for the most part keep the violence in the rival Motorcycle Club circle. Unless you are involved with them or have a death wish and choose to provoke hardcore bikers, the violence rarely spills out into the general public. That still goes on to this day. Declaring WAR is in their eyes just what it means. Last one breathing wins, nothing less, no exceptions, no rules. They have no fear of the consequences, that's what makes them so dangerous in a confrontation. Jail, prison, or death means nothing to them and threats will actually encourage them to strike.

# YOURSTARS

THERE'S A CURRY IN YOUR FUTURE AT S&S

Soi 94 S & S
INDIAN RESTAURANT
Curries from only 75 baht
Eat in or Takeaway 081 455 5298

CAPRICORN DEC 22 - JAN 19

A hand crank, two hooks attached at opposite ends of the oral cavity, and sheer mechanical force will soon leave you with a giant smile on your face.

AQUARIUS JAN 20 – FEB 18

Don't let negativity win out today, though it probably will, because you're a worthless human being who most likely doesn't deserve to be happy!

PISCES FEB 19 – MAR 20

In dog years, your border collie will soon turn 50, which explains the suit and tie, the growing stack of Wall Street Journals, and the rather conservative political worldview.

ARIES MAR 21 – APR 20

A priest, a rabbi, and a minister will walk into a bar this week, order three stiff drinks, and break down crying in one of the most depressing jokes you've ever heard.

TAURUS APR 21 – MAY 21

Friends and family members have often compared you to a china doll, but the resemblance will be uncanny next week when your limbs are broken and your head is pulled loose.

GEMINI MAY 22 – JUNE 21

The presence of Mercury in your sign can only mean one thing: The stars have officially run out of euphemisms for discussing your monthly menstruation.

CANCER JUN 22 – JUL 22

The stars, in their infinite wisdom, tell you tocheck yourself this week, as not doing so might lead you to wreck yourself in the near future.

LEO JUL 23 – AUG 22

Remember: No matter how bad things get, or how hopeless life may seem, you can always go home again and take it out on your family.

VIRGO AUG 23 – SEP 22

You'll soon die of embarrassment, though not before the vibrator-wielding chimpanzees manage to crack through your skull.

LIBRA SEP 23 – OCT 23

A bizarre chain of existential mishaps will result in your third viewing of the hit romantic comedy Sleepless In Seattle this week.

SCORPIO OCT 24 – NOV 21

As someone who has never been very comfortable with the sight of blood, you should avoid next Thursday's baby shower at all costs.

SAGITTARIUS NOV 22 – DEC 21

You'll have your mind blown this week by nothing more than a shotgun slug travelling at nearly the speed of sound.

# AWOL'S TWELVE FOOTBALL PREDICTIONS OF CHRISTMAS

OUR ANNUAL ATTEMPT TO SEE THE FUTURE OF FOOTBALL

■ THE WORLD OF FOOTBALL

ON THE FIRST DAY of Christmas our prediction came to be...
A striker to join Liverpool (Daniel Sturridge from Chelsea in January)

On the second day of Christmas...
Two oldies gone - from Chelsea and possibly the Premier League as Frank Lampard and John Terry depart

On the third day of Christmas...
Three extra years - for Sam Allardyce in a new contract after excelling for West Ham

On the fourth day of Christmas...
Fourth place for Rodgers - as Liverpool reemerge from the doldrums

On the fifth day of Christmas...
Five penalties - in one match as referees finally deal with the fouling at set pieces.

On the sixth day of Christmas...
